DETAILED ACTION

Claims

1. Claims 1 and 5-26 are pending.
2. Claims 14-22 have been withdrawn. Claims 2-4 have been cancelled.

Accordingly, claims 1, 5-13 and 23-26 are treated here.

Rejections Withdrawn

3. The 35 USC 112 rejection of claims 6-7 for indefiniteness is withdrawn in view of the amendments in the 22 September 2004 response ("the last response").
4. The 35 USC 103 rejection of claims 1, 5, 8-13 and 23-25 over Samuelson et al (US 6,165,166) in view of LeFleur et al (US 6,087,442) is withdrawn in view of the amendments and arguments made in the last response.

New Rejections

Claim Rejections - 35 USC § 112

5. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.
6. Claims 1, 5-13 and 23-25 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In the last two lines of both claims 1 and 23, the phrase "of said" appears too many times.

Please clarify the claims.

7. Claim 26 is rejected under 35 U.S.C. 112, second paragraph, as failing to set forth the subject matter which applicant(s) regard as their invention. Evidence that claim 26 fail(s) to correspond in scope with that which applicant(s) regard as the invention can be found in the last response, at pages 7-8. In that paper, applicant has stated that the tie layer includes a polymeric blend that must be melt-processable, and this statement indicates that the invention is different from what is defined in claim 26 because it does not require that the blend be melt-processable.

Please clarify the claim.

Final Rejection

8. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

9. A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
